Med Sandberg USB 3.0 Hub kan du lage forgreninger til USB 3.0-porten din, slik at mer USB 3.0-utstyr kan kobles til datamaskinen. Det er innebygd en sikring i hub'en. Denne beskytter datamaskinens og hub'ens USB 3.0-porter mot utstyr som overbelaster dem. Hub'en tilkobles enkelt din USB 3.0-port med den medfølgende kablen, og Windows® installerer selv den nødvendige programvaren. Lettere kan det ikke bli!
